Plenty of Them in Norway and Good Reason for It.

Wouldn't any woman be happy, After years of backache suffering, Days of misery, nights of unrest, The distress of urinary troubles, When she finds freedom.

Many readers will profit by the following:

Mrs. C. L. Hersey, Peaks Island, Me., says:—"I recommend Doan's Kidney Pills to anyone who has disordered kidneys or a lame back. These were my troubles for three years. I tried everything I thought would help me, but seemed to get worse instead of better. I had heard Doan's Kidney Pills spoken of highly by a number of neighbors and finally I began using them. The results both surprised and delighted me. I began to get better at once and in six weeks not a symptom of my trouble remained."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and no other.

How the Seed Cakes Grew.

From the moment that Dorothy arrived at Grampa Crosby's she began ask questions. She had never been in the country before and everything was new to her.

She followed Grandpa into the orchard, across the field and down to the vegetable garden questioning every step of the way.

"What do you grow all those things away for?" she asked one morning as Grandpa was scattering something over the ground.

"Grandpa's planting seed," he said, "so that lots of good things will grow for you to eat."

"What kind of things?" asked Dorothy.

"O, peas and beans and melons," said Grandpa.

On the dinner table that noon there was a plate of seed cookies, and as Dorothy was eating one she asked:

"What I bite my tooth on in this cookie, Grandpa?"

"Grandma's laughing," "Maybe it's a caraway seed," she said.

"Is that what makes 'em grow?" asked Dorothy.

"I guess so," said Grandpa. Her little granddaughter asked so many questions that she often answered at random.

Dorothy ate five cookies, and no one noticed that she picked out the seeds and laid them beside her plate. An hour later she came into the house with a silver fork in one hand and Grandpa's fritter tin in the other.

"O, Grandpa!" she cried, "I've planted 'em just like Grandpa did. How soon will they grow?"

Hiram, Me., Dear Editor:—I am a girl 12 years old and I live with my Grandpa and Grandma. We have got one cow and a heifer and thirty hens and thirty-one chickens. I like to go to school very much and I like my teacher.

I guess this will be enough for this time. Hope to see this in the paper this week. EVELYN M. DUNGIN.

O feed us with bread; O feed us with bread from on high; O give us to drink, O give us to drink of Life's stream.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Thousands Have Kidney Trouble and Never Suspect It.
How to Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, or stringy or milky appearance indicates an unhealthy condition of the kidneys; too frequent desire to pass it, or pain in the back, or also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kimmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It starts the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent bottles and one-dollar sizes. You may have a sample bottle sent free by mail. Address Dr. Kimmer & Co., Binghamton, N. Y. Mention this paper and remember Dr. Kimmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Seated in the place of honor at the table was the venerable head of the family, William C. Hobbs, who in July will have rounded off 83 years. Gathered around the festive board in the vestry of the Baptist church in Hudson, Mass., on Memorial Day, May 30, were the descendants of William C. Hobbs of Norway, who met in annual reunion, this being the fourth time they have come thus together.
Seated in the place of honor at the table was the venerable head of the family, William C. Hobbs, who in July will have rounded off 83 years. About him were seven of his eight children, the only absence being a son residing in Vermont, and who could not possibly attend. It is the first time the circle of brothers and sisters has been incomplete. At the tables, also, were grandchildren and great grandchildren.
The record of this branch of the Hobbs family, extending over a period of 60 years, is a remarkable one. Of 36 descendants born within that time only two have died, they being grandchildren. The maternal head, Mrs. William C. Hobbs, passed away three years ago. There have been eight children born to twenty-five grandchildren and three great grandchildren. Husbands or wives who have become members of the family by marriage are all living.
The day was passed in an informal way, with dinner at noon, prepared and served by Mr. and Mrs. Fred J. Hobbs, who were entertainers for the day. Owing to the size of the gathering the vestry of the Baptist church was engaged for the dinner. The menu included, in addition to the usual fare, cold turkey, egg salad, salmon salad, potato salad, cabbage salad, banana fritters, deviled ham, pickled beets, white bread, Johnny cake, coffee, ice cream and cake.
Following the dinner was a brief business meeting, and afterwards a social time. The out of town guests present were: William C. Hobbs, Mrs. Edwin Cox and Walter Hobbs of Norway, Annie Hobbs, Adna M. Hobbs, Frank Hobbs, Mr. and Mrs. E. W. Gilman, Doris Gilman, Everett Gilman of Lynn, Mrs. C. W. Cummings, Harry Cummings, Hebron. Others were Mr. and Mrs. Fred J. Hobbs, Dr. and Mrs. Frederick P. Glazier, E. D. Wood, Ed A. Wood, William C. Wood, Cora J. Wood, Florence Randall, Crosby Hobbs, Gertrude Hobbs, Casper Hobbs and Clarence Hobbs.
Mrs. E. A. Gilman was elected secretary and treasurer. Solos were given by Mrs. Edwin Cox, Annie Hobbs and Walter C. Hobbs, duet by Miss Hobbs and Mr. Cox and Mrs. W. Cummings, and anecdotes by Dr. Glazier.
It was voted to hold the next reunion at the home of Herbert Hobbs in Vermont.
